Issue No4/Year 2

Be Wary of Callers to Your Front Door

After Watchdog on Monday 31st October we received a call from a resident saying they have had a caller saying they needed to read the electric meter.

Would you trust him? Not all callers come with gifts.

Once in the property he then went on to get the resident to change to Southern Electric, the resident felt very threatened by this man and signed. The following day he cancelled the changeover as is his right.

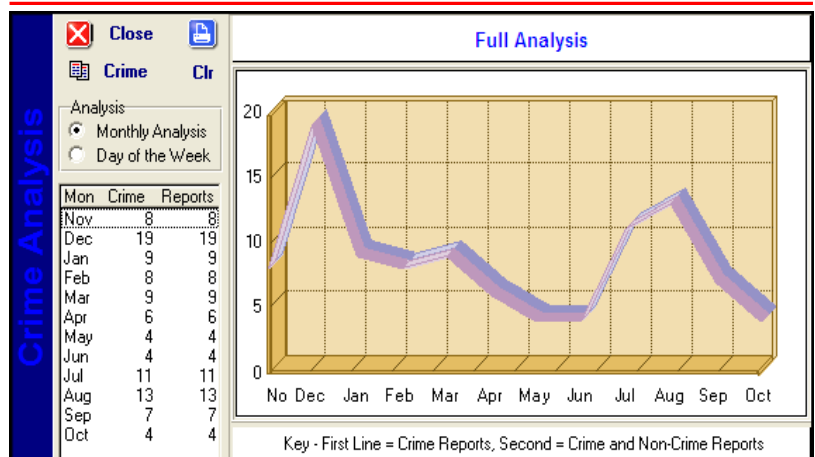

Please check the identity of all callers and if he is calling to read a meter make sure he is from your electricity provider before asking him to enter your property.

If he is a genuine workman he will not mind waiting while you check out his credentials with his employers.

If in doubt do not let them enter.

We would like to wish all our members and their families a very Merry Christmas and a Prosperous New Year.

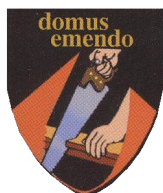

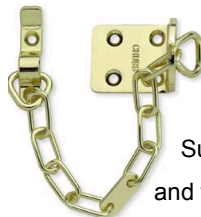

The latest Monthly Crime Graph shows a dramatic drop in our Parish over the last two months.

TRAFFIC CALMING IN HERSTMONCEUX

Herstmonceux Neighbourhood Watch urge all members to have their say over the new Traffic Calming Investigations. An exhibition bus will be in the car park of the Woolpack Inn on Friday 18th November from 12.30 to 7pm and on Saturday 19th from 9am to 1pm so please go along and give your views. Many members have said traffic calming is a priority and our committee back this 100%. Congratulation to the Parish Plan Group who got it this far.
